Deputy Assistant Secretary for Security
Office of Security
Department of State

Dear Marv:

Attached is a brief biographic sketch of Jim Hirsch whom I have proposed to replace me as Chairman of the R&D Subcommittee. This proposal was discussed at the last subcommittee meeting, where I also suggested that if there were other candidates they should be forwarded to you prior to the upcoming security committee meeting. I will bring Jim along to the next meeting for introduction to the committee as you suggested in our recent telephone conversation. Should this not now appear appropriate, please give me a call before Friday.
